### Quiz Trail Warwick – The Detail

**Quiz Trail** – The clues are made up of a mix of historical, observational and fun questions. Some clues to the answers are more obvious than others so keep your eyes peeled and look high and low!

**Teams** – Of two, four, or up to six for larger groups. Solo quizzers can go round on their own, or there may be the option to join a team – please ask at the time of booking.

**Disabilities/Pushchairs** - There are a few gentle gradients on the trail which are manageable for pushchairs. We would recommend assistance for manual wheelchair users. There are options of two alternative routes on the quiz trail to avoid steps whilst still giving access to all the clues. These are highlighted on the quiz sheet.

**Meeting Point** – Your host gives a brief talk regarding the trail, advising on any points that need to be taken into consideration such as steps, toilets etc. Teams usually return to the same venue at the end of the trail for scoring with the option to purchase a well-earned drink!

**Smoking** – By law all venues have a policy of no smoking.

**Food & Drink** - All extra drinks and food can be ordered and paid for directly to the venue. We are happy to help with pre-booking a light bite or meal at extra cost. Please contact us to chat through in more detail and we can give you a quote.

**Arrival & Finishing Time** - So as not to keep other teams waiting please turn up on time. Quiz trails will start approximately 15 minutes after the meeting up time. If unable to join in or delayed please text your host to advise. If short of time the included drink can be ordered after the trail has been completed. Teams set off at three to four minute staggered intervals so if running a few minutes late there is still time to join in. If a team returns more than two hours after their start time the host has the right to start scoring the quiz sheets and exclude that team from the prize giving.

**Large Private Groups** – Maximum number in a group is 40/42. Maximum number of teams is 10 to keep staggered team set-off times to a minimum so that no one is kept hanging around for too long before setting off and at the end for checking scores.

**Small Private Groups** - The minimum number for a private group trail is 12 adults, or minimum spend of £150 for less than 12. Ideal for birthdays, hen do's and office outings.

**Attire** - The trail involves 1.5 to two hours of walking outdoors and as there are some gentle gradients, flat, comfortable shoes/boots are recommended. And don't forget to bring an umbrella and waterproof if rain forecast, and suntan lotion and sunglasses for sunny days.

**Toilets** - There are free public toilets set back from Market Square at the side of the Rose & Crown pub (included on the quiz trail sheet).

Groups of school children are welcome and must be accompanied by the appropriate number of school staff and/or parents.

**Safety** - All participants are responsible for their own safety. Please use pedestrian walkways at all times.
